

## Standard timeframes

Standard timeframes for customers to respond to requests from Immigration New Zealand are set out below.

These timeframes should be used unless there are valid reasons why a client requires more time to respond to the correspondence. Such reasons should be judged on a case-by-case basis. Extensions may be granted if they are reasonable and are justified by circumstances.

**Note** some application categories have their own timeframes:

- Skilled Migrant Category - see "[setting due dates guidelines](#)"
- Refugee Family Support Category - see the end of this document.
- Entrepreneur, Residence from Work (Talent), and Investor categories (as outlined in the tables below)

### Basic information (including health and character)
