

VISA PAK ISSUE 603 — 25 OCTOBER 2024

CLARIFICATION OF PRIORITY ALLOCATION OF GREEN LIST OCCUPATIONS UNDER THE GENERAL INSTRUCTIONS FOR THE ORDER OF PROCESSING VISA APPLICATIONS

The purpose of this item is to clarify point two in Visa Pak 580 published in May 2024.

This Visa Pak supplements the advice given in [Visa Pak 580](#).

Job Check applications and Accredited Employer Work Visa (AEWV) applications will be prioritised where the application is based on a job offer or employment in an occupation listed on the Green List ([Appendix 13](#)).

For clarity, this means where the employer has declared or information has been provided that demonstrates the applicant will meet the Green List requirements for the occupation, the Job Check or AEWV application will be priority allocated.
